School	Division	Number of Students to be Admitted	
		October 2025 Admission	April 2026 Admission
Graduate School of Advanced Science and Technology	Division of Advanced Science and Technology	297 (See Note 1,2,4)	297 (See Note 2,3,4)

Note 1: This number includes students admitted in April 2025 through the Regular Examination.

Note 2: This number includes students to be admitted through the Special Selections.

Note 3: This number includes students to be admitted in October 2026 through the Regular Examination.

Note 4: This number includes 15 students to be admitted to the Advanced Information Specialist Course (JAIST×Human Course).

※Advanced Information Specialist Course (JAIST×Human Course)

JAIST will open the Advanced Information Specialist Course (commonly known as the JAIST×Human Course) in October 2025, following its selection for the Ministry of Education, Culture, Sports, Science and Technology's fiscal 2024 project to support universities and technical colleges in enhancing their functions to secure highly specialized information technology human resources.

For more details, please check this webpage: (<https://www.jaist.ac.jp/project/jaist-human/en/>)

II. Eligibility Requirements

Applicants must satisfy one of the following requirements by the day prior to the day of desired enrollment. Eligible applicants are those who have:

1. graduated from a Japanese university.
2. been granted a bachelor's degree by the National Institution for Academic Degrees and Quality Enhancement of Higher Education (NIAD-QE) as stipulated in Paragraph 7, Article 104 of the School Education Act.
3. completed a 16-year curriculum of school education in countries other than Japan.
4. completed a curriculum at a foreign-affiliated university in Japan which has a university education curriculum under the school education of its country (Its completion must be regarded as the completion of a 16-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.
5. completed a 16-year curriculum of school education in a foreign country by completing a correspondence curriculum of an overseas educational institution while residing in Japan.
6. been granted a bachelor's degree from a foreign university or other foreign institution of higher education by completing a curriculum with a completion period of three years or more.
7. completed a specialized curriculum specifically designated by the Minister of Education, Culture, Sports, Science and Technology at a vocational school on or after the date designated by the Minister of Education, Culture, Sports, Science and Technology. The required period for graduation is four years or longer, and which also satisfies other condition specified by the Minister of Education, Culture, Sports, Science and Technology.
8. been designated as eligible by the Minister of Education, Culture, Sports, Science and Technology. For example, those who graduated from a university which is not under the jurisdiction of the Ministry of Education, Culture, Sports, Science, and Technology.
9. Early Graduate School Entrance Program
Applicants for the early graduate school entrance program must have completed the required number of credits set by JAIST, which is approximately three-quarters of the necessary credits to graduate from a Japanese university or an equivalent level of the curriculum in a foreign country, with excellent academic results. Prospective applicants for the early graduate school entrance program are those who have:
 - a) attended a Japanese university for at least three years.
 - b) completed a 15-year curriculum of school education in countries other than Japan.

- c) completed a 15-year curriculum of school education in a foreign country by completing the correspondence curriculum of an overseas educational institution while residing in Japan.
- d) completed a curriculum at a foreign-affiliated university in Japan which has a university curriculum under the school education of its country (Its completion must be regarded as the completion of a 15-year curriculum of school education in its country) and specifically designated by the Minister of Education, Culture, Sports, Science and Technology.

10. enrolled in a graduate school as stipulated in Paragraph 2, Article 102 of the School Education Act, and recognized as having sufficient academic abilities by JAIST.

11. been recognized by JAIST through the Judgment of Eligibility as having an equivalent or greater scholastic ability than that of university graduates, and have reached 22 years of age.

Note: Applicants satisfying at least one of the eligibility requirements (1) - (8) are not required to pass through the Judgment of Eligibility. Such applicants should move to "III. Application Periods".

[Judgment of Eligibility]

Applicants who wish to apply under the eligibility requirements (9), (10) or (11) must be screened by JAIST for eligibility prior to applying. Applicants should download the instruction documents and forms for judgment of eligibility from our website and submit all the necessary documents before the following deadline. (Admissions > Application Guide > Judgment of Eligibility)

Examination		Application Deadline for Judgment of Eligibility (The application must arrive by)
October 2025 admission		Tuesday, April 22, 2025
April 2026 admission	First examination	
	Second examination	Friday, August 1, 2025
	Third examination	Wednesday, October 22, 2025

For more information about the judgment of eligibility, please see the link below.
