

Position opening for a Researcher in Japan Advanced Institute of Science and Technology (JAIST)

- * Position : Researcher (Part-time)
- * Working place : Kurisawa Research Group, Materials Chemistry Frontiers Research Area, Graduate School of Advanced Science and Technology, Japan Advanced Institute of Science and Technology (1-1, Asahidai, Nomi, Ishikawa)
- * Research : Research assistance
The researcher will conduct the synthesis of biomaterials, cell culture and animal study.
- * Requirements : Experimental Materials Scientist with a Bachelor's degree or higher: in Materials Science, Polymer science, biology or related fields.
- * Starting date : As soon as possible
- * Contract : One fiscal year (Apr. to Mar.), with possible extension until March 31, 2028.
*Renewal/nonrenewal of the contract will be judged by researcher's progress and performance at work by the end of the first contract.
- * Working days and hours :
Working days: 3-5 days per week(Max 8h ours per day), Mondays – Fridays, Working time Max 8:30-17:30 (Max 30hours per week), Break time: 12:00 – 13:00 *Negotiable
Days off: Saturdays and Sundays, National holidays, Year-end and New Year holidays (from December 29 to January 3), Anniversary of the founding of JAIST (October 1)

- * Salary :
 - ①1,400JPY – 1,900JPY per hour (Your salary is determined on the basis of your educational background and job experience, etc. in accordance with the JAIST rules.)
 - ②Commuting allowance will be provided if the employee satisfies the condition. (the commuting distance is more than 2km, and uses either public transportation, car or both) (Max : ¥55,000 / month)
- * Probation: 3 months from the starting date of employment
- * Application materials:
 - (1) Curriculum Vitae
Please describe the technologies you have experience with and the equipment you can use:
(Example) Organic synthesis, analytical chemistry, cell experiments, animal experiments, etc.
 - (2) Your full contact address including e-mail address
Application materials should be sent via email or post to the contact address below.
- * Deadline : Application invitation is open until the position is filled.
- * Selection procedures:
 - ①After document screening, the shortlisted candidates will be invited for interviews.
 - ②Any travel expenses for the interviews must be paid by the applicants.
- * Additional information : In case of commuting by car, parking fee for municipal parking lot next to JAIST must be paid by oneself (¥1,045 / month, ¥10,450 / annual contract).
- * Contact :
